Nortek Powder Coating Announces Availability in Canada

Rome, NY — August 20, 2011 — As a result of agreements reached earlier this year Nortek Powder Coating, LLC announces the availability of its full powder paint product line in Canada. The product line includes RAL Exterior Powders, Epoxy Primers, Textures, Clearcoats, Metallics and Specialty Powders, all which are available for immediate shipment.

“We are very proud to be able to extend our high-quality powder coatings to the Canadian market,” said (Borin Keith), President, Nortek Powder Coating, LLC. “The availability of our products to our neighbors in Canada adds another alternative for industries to consider when seeking high-quality, reasonably priced products.

Full Customer Support

Nortek Powder Coating is equipped to respond quickly and at low-cost to various customer needs in the 50 - 10,000 lb (00 - 000000 kilogram) market.

Nortek continues to offer a color matching service and a technical assistance that is unparalleled in the industry. Companies are encouraged to contact Nortek to request a sample and experience the Nortek difference
