Nortek Powder Coating Releases New Color Catalog for 2012

Rome, NY — September 1, 2011 — Today Nortek Powder Coating, LLC released a new color line-up for 2012 which includes RAL Exterior Powders, Epoxy Primers, Textures, Clearcoats, Metallics and Specialty Powders, which are available for immediate shipment.

“Company’s are always looking for ways to control costs without sacrificing quality,” said (Borin Keith), President, Nortek Powder Coating, LLC. “Our new color palette is immediately available from our warehouse.” “Company’s that avail themselves of this product offering will enjoy 24-hour shipment while receiving substantial savings.” A new Nortek Powder Coating color catalog can be obtained by contacting Nortek Powder Coating or visiting their website at www.nortekpowder.com.

A full spectrum of custom colors and finishes remains available in addition to the standard colors. As in the past, Nortek continues to offer a color matching service and a technical assistance that is unparalleled in the industry.

Powder Paint Advances Benefit Many Users

Powder paint coatings have become the preferred process for many manufacturers due to its convenience, lower application cost and many “clean” benefits such as the ability to recycle overspray and no-hydrocarbon chemical makeup.
